

St Francis Chairs Forum Dates 2022-2023

Thanks to those who replied to the poll. There was a bit of a mix with a slight preference for Tuesday from the sample to date, so here are some tentative dates for next year – a mix of Tuesdays and Wednesdays (don't know if that will work but it is an attempt to accommodate those who can't do Tuesdays). I've tried, where I can, to avoid clashes with St Clare's meetings, I know that is an issue for some, but haven't been able to manage it completely.

We will continue to do a mix of virtual and face to face (again there was a mix of preferences). I would like the first of the year to be face to face, but will confirm nearer the time. I just wanted to get some dates published for you.
