THE SECONDARY CORE SUBJECT LEADERS' NETWORK

The Secondary Core Subject Leaders' Network is a professional network designed to support St Francis' mission for all children to receive an outstanding curriculum which shapes them as people in God's image.

This is a collaborative forum designed to support, develop, and empower the Subject Leaders of core subjects across the CMATs' secondary schools. Rooted in the shared mission of Catholic education, the network fosters professional dialogue, promotes consistency in curriculum delivery, and encourages the sharing of best practices.

Through attending the Secondary Core Subject Leaders' Network, leaders will:

- † Deepen leadership knowledge about roles and responsibilities.
- † Align curriculum planning with both national expectations and the Catholic ethos of St Francis' CMAT.
- † Share resources, ideas, and strategies to ensure effective subject leadership.
- † Engage in reflective practice and ongoing professional development.
- † Support one another in driving improvements and raising standards

The Secondary Core Subject Leaders' Network will also support progress and evidence towards the St Francis' Senior Leadership Competencies. These are identified as:

- † Catholic Identity
- † Excellence in Teaching
- † Flourishing Curriculums
- † Behaviour and Conscience
- † Equality for All
- † Working for the Common Good
- † Operational Service
- † Mission Driven Leadership
- † Fulfillment of Others
